TERMS AND CONDITIONS FOR AMC OF GCMF OWN COLD ROOMS AND SERVO STABILIZERS:

Annexure-I(A)

1. APPOINTMENT

GCMF Ltd. Head office will appoint one of the Service Associate for service/maintenance of the cold rooms and the service associate accepts such appointment upon the terms and conditions hereinafter set forth.

The AMC will come in to the force after completion of warranty period and also during warranty period or last AMC period.

2. PERFORMANCE OBJECTIVE

GCMF Ltd, shall set up performance objectives standard or norm expected from the service associate during each financial year of the company. The Service Associate undertakes to exert his best efforts to accomplish service performance objectives as detailed in Annexure-II(A).

3. PAYMENT

Unless otherwise agreed upon payment for service / maintenance will be on quarterly basis valid for a AMC period as per approved your offer as per Annexure-I and shall be reviewed thereafter. Payment of approved Service associates towards AMC will be made after 15 days of each quarter.

For getting the payment Service Associate has to provide the following ;

- a) All certified copies of bills and reports that the preventive maintenance & break down, visits etc have been carried out to be submitted to branch office , which is duly certified by Branch Incharge of GCMF
- b) All break down reports and certificates that the breakdown has been satisfactorily attended within response time and resolution time as mentioned in this contract, which is duly certified by Branch In charge.
- c) Payment will be made by respective GCMF Zonal office across country on the receipt of bills and supporting above reports duly certified by branch Incharge.
- d) In not comprehensive annual maintenance contract(NCAMC) of Guwahati based 1000CFT cold room, the operational spares parts to be provided on chargeable basis. The PO shall be placed by branch for the same. The payment of the same to be reviewed with branch monthly basis & branch will process the payment as per approved rates of operational spare parts enclosed at separate sheet. Payment of NCAMC charges approved vide this PO will be on quarterly basis.

4. PERIOD OF WORK

The contract shall be valid for the period mentioned in Annexure – I(A/B/C) from the date of which are either out of last approved AMC period, out of warranty period/additional warrantee period approved with purchase orders or any new cold room added further in AMC, unless it is either terminated prematurely by either of the party or in accordance with clause (8) of this agreement it shall expire on last date of Annual maintenance contract .

5. SECURITY DEPOSIT

Towards this purchase order, you are required to pay Rs. 100,000 as security deposit by demand draft drawn in favour of Gujarat Coop. Milk Marketing Federation Ltd.,Anand. This Security Deposit will carry no interest. Security deposit shall be refunded only after completion of all warranty period and obligations satisfactorily.

GCMMF may forfeit payment at its sole discretion on non- satisfactory performance and non-compliance to instructions and guidelines given by GCMMF time to time.

6. SCOPE OF WORK

- 6.1 Service Associate shall undertake positively and independently all the jobs entrusted to them for repair/maintenance of machines as defined in “Scope of Work Annexure II(A/B/C).
- 6.2 Service Associate shall not service/repair products other than those specifically identified and allocated to Service Associate by GCMMF Ltd.
- 6.3 Service Associate shall agree to maintain adequate stock of spares to achieve performance objectives.
- 6.4 a) Service associate agrees to carry adequate stock of replacement parts and to maintain an efficient well quipped service organisation with adequately trained personnel to render to the satisfaction of GCMMF Ltd., proper service to the products regardless of when where and by whom they were sold.
 - b) It is further agreed that all such personnel employed by the Service Associate shall be the employees of the Service Associate, who shall be working directly under the supervision and control of the Service Associate: and GCMMF Ltd. shall not have any control over or responsibility for or liability to such of those personnel employed by the Service Associate in respect of payment of their wages/salaries and other statutory and other benefits etc., and the service associates shall alone be responsible for compliance with all statutory requirements in that regard. It is mutually understood that GCMMF Ltd shall not be liable either directly or vicariously in respect of the employees of the Service Associate. In short there shall exist no private of contract between GCMMF LTD. And the personnel engaged by the service Associate.
 - c) Service Associate will lift machines/any component with prior written consent from GCMMF Ltd. and the cost of transportation of such machine shall be born by the Service Associate.
 - d) Service Associate will be responsible for the safe custody of machinery/parts in their possession, and shall protect the property from all risks like theft, fire, and

take suitable insurance in their own interest and loss or damages to any of such goods lying in the custody of the Service Associate, shall be to the Service Associates account, and GCMMF Ltd shall not be liable for the same.

- e) **Energy Audit of the cold room** : Service Associate will render energy and temp. audits once in year basis without any additional charges . Audit reports comprising energy consumption (Units) and temperature of the cold room, suggestion for improving performance of the equipment etc will be submitted by Sr. Authority of Service Associate to Purchase Dept (GCMMF –HO) in a prescribed format during each- May to June month without fail to reach us latest by 25th of July of each year.
- f) **Technical support/ repairing of Spares (purchased by us) during AMC** : It is likely that bought out items like servo voltage stabilizer etc. may demand repair/ maintenance after expiry of warrantee period. For such items the approved service associate will have to help us in technical and finalising charges of spares/ repairs of bought out as and when require. The condition of voltg. Stabilizer may be certified for preventive action of repairing and maintenance at time of PMs of cold room.

7. CONSTRUCTION

- 7.1 The All in All type contract will supersedes all prior agreements between the two parties for service/maintenance of the cold room and expect for settling existing obligations arising there under, all such former agreements are hereby cancelled and stand terminated.
- 7.2 This contract shall not be assignable or transferable by the Service Associate without the written consent of GCMMF Ltd.
- 7.3 No letter, telegram or other communication, passing between the two parties shall become a part of or in any way modify or change this agreement, unless it is specifically as made for this purpose and is duly signed by both the parties.

8. TERMINATION OF CONTRACT

- 8.1 Either of the party to contract may terminate it by giving 15 days notice to the either party without assigning reason thereof.
- 8.2 Termination of this contract shall not affect any rights and obligations of either party which shall have arisen prior to such termination.
- 8.3 Upon termination of this contract the Service associate shall return forthwith to GCMMF Ltd all service manuals, drawings, literature, history record cards, etc. and any other material supplied by GCMMF Ltd which may be in his possession immediately.

9. ARBITRATION

Any dispute arising out of this contract shall be referred to the sole arbitration of the Managing Director of GCMMF LTD. or any other person so nominated by the said Managing Director. The arbitration proceedings will be governed by the Provisions of the Arbitration & Conciliation Act 1996.

10. SETTLEMENT OF ACCOUNTS

After termination of the said contract the settlement of accounts will be within one month period from the date of termination.

- 12. PO/PAYMENT THROUGH PM MODULE OF SAP SYSTEM :** GCMMF has implemented SAP system for monitoring number of preventive maintenance carried out, break down calls attended in a resolution time. In view of this, service Associate will have to provide copy of service report/break down report along with each invoice quarterly basis to respective Depot Incharge without fail. In absence of these, not a single invoice shall be processed for payment of service Associates.

- 13. COPY OF SERVICE REPORT/ HISTORY CARD :** After establishing of AMC contract, service associate will have to maintenance the service reports and history report cards of each cold room as mentioned in terms 6 and 7. On each quarter, after completion of PM, service reports of PM and break down reports as well as history cards will have to be provided to Depot Incharge with a copy to HO - Purchase , GCMMF LIMITED, Amul Dairy Road, Anand 388001, without fail.

ANNEXURE – I (B)

1. **PERFORMANCE OBJECTIVES** : To provide prompt quality services through qualified and experienced technicians confirming to the following parameters:
2. **IT IS MANDATORY** : To provide at least 4 services annually (once in 90 days and 4 services within 12 months) depending upon application of machines. If deemed necessary, service at higher frequency should be provided in order to ensure minimum 95 % uptime of the units.
3. **RESPONSE TIME AND RESOLUTION TIME** :

:Preventive Maintenance cycle :			
	Month	Quarterly Visit per Annum schedule	
1	Apr to Jun	One visit	
2	Jul to Sept	One visit	
3	Oct to Dec	On this date TMT basis PMs and energy audit . cold room performance report to be carried out & submit to HO Purchase	
	December 26 to 30 th (single day for all cold rooms)		
4	Jan to Mar	One visit	
:Response time & Resolution time:			
SN	Equipment	Response time	Resolution time
1	Preventive maintenance	As per the PM cycle & less than a day in every quarter.	
2	Minor- Breakdown Local	4 Hours	24 Hours
3	Minor-Breakdown Upcountry	4 Hours	60 Hours
4	Major Breakdown (with sealed, semi sealed, scroll Compressor) Local	18 Hours	72 Hours
5	Major Breakdown (with sealed, semi sealed scroll Compressor) Upcountry	18 Hours	72 Hours
