Details of Inquiry (AFD:PUR:ENQ:2023:889) for work of Geohydrological survey at AmulFed Dairy II, Rajkot

Background:

AmulFed Dairy is a manufacturing unit of Gujarat Cooperative Milk Marketing Federation Limited (GCMMF Ltd), producing milk products under the brand name "AMUL". As a part of its expansion program, the company intends to set up a state-of-the-art manufacturing plant having milk handling capacity of 20 Lakh Liters per day (20 LLPD) at Village Gadhka, near Rajkot.

The plant will be set up at Village Gadhka, on Rajkot Bhavnagar Highway. Total area of the land is 69 acres. Approximate built-up area would be about 50% of the total land area.

Estimated fresh water requirement for the proposed plant is worked out at 10 LLPD during lean production period i.e. From March to September and 6 LLPD during October to February.

This water requirement needs to be catered through borewells. We wish to carry out the geohydrological survey of land to identify the required numbers of suitable and sustainable locations of borewells.

Scope of Work:

- Studying ground water condition of each location
- Topography of the area
- Geohydrological study of the area
- Hydrogeological study of the area
- Hydrology of the area with VES sounding upto 500 meter depth
- Geophysical investigation of the area by VES sounding
- Geochemical study of the area
- Satellite image study of the area
- Complete field survey, investigation, data collection, analysis, interpretation
- Pinpoint the proposed locations of borewells with design of well, feasible depth, diameter, safe discharge, ground water quality, pumping machinery design, aquifer depth, nature of saturated aquifer thickness and withdrawal limits to meet the requisite water treatment
- Hydro fracturing, if required will also be suggested to sustain the ground water availability from borewells
- Each site should be identified after minimum 3 location's study per site

Site Address :

AmulFed Dairy II (A Unit of GCMMFL), Survey no. 477, Paiki 4, Gadhka, Rajkot -360020

Inquiry : AFD:PUR:ENQ:2023:889
