Dear Sirs,

As you may be aware that Gujarat Co-operative Milk Marketing Federation Ltd (GCMMF) properly known as "AMUL" is Asia's largest integrated dairy products manufacturing and marketing Organization and India's largest food company, having total annual turnover more than 61000 crores. This is a testimony to the collective wisdom of 37 lacs milk producers of Gujarat who have built a premier co-operative organization and much-valued brands Amul & Sagar with perseverance over the last 75 years. GCMMF is presently market leader in almost all-dairy products category i.e. Ice Cream, Butter, Milk Powder, Cheese, Cheese Spread, Milk etc.

We have identified frozen products category as one of our major thrust area. At the same time, we have remained No. 1 Ice cream Brand in India, We are expecting a turnover of **Rs. 3500 Crores** in frozen products category by year 2023-24, which is expected to be **Rs 5000 Crores** business by the year 2025.

To achieve this aim, we have successfully launched Ice Cream, Frozen Paneer & Cheese, Frozen Pizza, Frozen Potato & Dairy Snacks in 76 Branches of 27 State and 08 Union territories and have received an overwhelming trade and consumer response from the markets.

We invite your quotation for transportation of the frozen product as per the following Details:

1. Name of Products : Amul Frozen Products (Ice Cream, Paneer, Cheese, Frozen Sweets, Frozen Snacks etc.)
2. Products will be loaded at: -15⁰ C or lower
3. Temp. to be maintained : The Refrigerated van should have Tropicalized Design to suit Indian conditions to maintain Temperature upto -22⁰ C or below & Product temperature at -18⁰ C or below temperature during transit and till unloading of products.
4. Insulation of Vehicle : Polyurethane foam(PUF) injection molded / Pre-fabricated Panel having density not less than 40 Kg/cubic or 100-150 mm thickness as per size of vehicles.

Amul SAGAR

5. Refrigerated Plant : Carrier / Thermo king (both Imported Ref Plants)
 6. Loading Points : Manufactures Plants/ Logistics Hub /Branch
