Subject :Enquiry for Hamara Apana Visi cooler

Dear Sir,

You are aware of our existing scheme “Hamara Apana Visi cooler”. In this connection, we would like to inform you that we have planned to procure approx 750 Nos. HAVC units of the approved suppliers, the same will be lifted by our APOs and retailers directly. We are pleased to select you in our list of the supplier for the above requirement of the same and sending you our enquire of the above requirement under criteria lay down by GCMMF. The demand of HAVC increases day by day basis because of series of exclusive Amul Parlours opening. We are sure that you are interested to participate with your very competitive offers of different Visi cooler models. We may consider offers from those suppliers who meet following specification and eligibility criteria:

Rates and Technical Data:

- a) The detail on the different models and price format as per attach Annexure- I.
- b) The technical data to be provided as per Annexure- II. (Without tech. data no any quotation will be accepted by us).
- c) Raw Materials break up shall be as per Annexure -III.
- d) Check list of the criteria

Tentative specification :

- a) Visi coolers with normal sets of shelves and illumination LEDs glow in cabinet and canopy . The **Net capacity** will be considered in finalization of different capacity of Visi coolers.
- b) One year of comprehensive warrantee period.
- c) Tropical machines having Auxiliary Condensor are to be provided for achieving desired product storage temperature (4 Deg.Cent) of cabinet in Ambient temperature of 42 to 45 Deg. Cent. Our products incoming /storage max temp. remain 8 to 10 DC during peak summer & will be not required pull down in our products.
- d) The model should have mini. 60 MM PUF thickness, four castors and good temperature holding capacity (more or less 4 to5 Hrs. in peak ambience temperature) .
- e) Refrigeration compressor reputed make like Danfoss /Donper /Hyuai.
- f) Lowest EER Ratio will be preferred in selection of models.
- g) Based white colour and 2 layers toughen sandwich glass door and bottle opener is required .
- h) Forced air cooling system (top evaporator) will be preferred by us.

Criteria :

- a) Minimum 3 years experience.
- b) Minimum production of approx 4000 Units/ Annum.
- c) Preferably ISO:9001 Certified Unit.
- d) In house production & QC facility or
Exclusive importers with authorization certification of manufacturers
- e) Tropical model suitable for Indian high ambient temperature
- f) Pan India level supply and service facility
- g) Leading client list with minimum supply of 100 units.

Security Deposit :

The SD in the form of either bank guarantee or at par cheques in favour of Gujarat Cooperative Milk Marketing Federation Limited payable, Anand worth **Rs.2.50 Lac** to be provided by approved supplier. GCMMF may not circulate the approved rate and supplier detail without BG/security deposit.

We are sure you will take lead in mutual interest for our outright sales of visi cooler and shall revert with competitive rates without fail along with product leaflets etc as early as possible but not **later than 03-11-2018**. We shall not allow late submission of the offer of suppliers against this enquiry.

Thank you,

Yours faithfully,

(Tarak Shah)
